

CLITHEROE NATURALISTS SOCIETY

SUMMER OUTINGS

- April 29** **MERE SANDS WOOD RUFFORD**
Run by the LWT we are visiting a beautiful wildlife rich haven in the heart of agricultural Lancashire
- May 13** **AYSGARTH**
Best known for its breathtaking triple flight of waterfalls carved out by the River Ure
- May 27** **CROSS O'GREET BRIDGE**
(finish at 2pm) Emphasis is on what is beneath our feet on a bio-blitz with very little distance covered
- June 10** **YEALAND CONYERS**
Area of Outstanding Natural Beauty (AONB)
Close to RSPB Leighton Moss
- June 24** **STOCKS RESERVOIR CIRCULAR**
Investigate the wild flowers and butterflies while hoping for cuckoos who return here every year
- July 8** **INGLETON**
Nestling in the foothills of Ingleborough, surrounded by caves and waterfalls
- July 22** **SALTHILL & CROSS HILL QUARRIES**
(not a coach trip) Expert knowledge from our Leader as we visit at the best time of the Summer for wild flowers
- August 5** **HAWORTH BRONTE COUNTRY**
Our Leader takes us to a favourite part of her beloved county
- August 19** **GLASSON DOCK**
Great time for butterflies as we explore the area around what was the largest North West port
- September 2** **ELDROTH CLAPHAM**
Explore the western edge of the Forest of Bowland
- September 16** **ABBEYSTED DOLPHINHOLME**
Spectacular scenery and we may even see the Duke of Westminster – or the Queen?
